One of the features of the Junia was the reading out of the Republican that he and those near him could party by Mr Gillenwater of A. B. Stroup and D. M. Pergusson, 18th openhers of the regularly organized and legel Bernalillo county Repubtican central committee. Mr Gillen-water said that Mr. Strong and Mr. Ferguson had publicly and privately declared that they would not affiliate with the junta; that they were guilty a breach of the trust imposed on them; and that elecumstances not only warranted but demanded that the funts take notice of the breach of trust and declare the committee memberships vacant. Bertheld Spitz, who was one of the chosen few permitted inside the railing of the junta, was given the floor and made a motion that the pinces occupied by Mr. Stroup and Mr. Ferguson be declared vacant; placing in nomination Affred Grunsfeld to succeed Ferguson and P.
